

Remarks/Arguments:

According to the Quayle Action, the subject application is in condition for allowance, except for the formality of submitting an executed version of the Second Declaration Under 37 CFR 1.132 of Octavian Anton.

As required in the Quayle Action, submitted herewith is the executed Second Declaration Under 37 CFR 1.132. Applicants point out that the executed Second Declaration includes corrections of inadvertent clerical errors – which corrections are shown in the marked up copy of the unexecuted version, attached hereto.

Favorable action is requested.

Respectfully submitted,

JACOBSON HOLMAN PLLC
